Profile

Hi, I'm Idris Musa, a front-end web developer with 2 years of experience. I specialize in creating responsive and visually appealing websites using HTML, CSS, JavaScript, and frontend frameworks like React and Angular. I'm passionate about optimizing user experiences and collaborating with cross-functional teams to deliver high-quality products on time and within budget.

Education

2017 – 2021	B.sc Computer Science , Al-Hikmah University Ilorin I earned a Bachelor of Science degree in Computer Science from Alhikmah University, where I gained strong programming, database management, and project management skills. I also participated in coding competitions, honing my problem-solving skills and gaining practical experience.	Ilorin, Nigeria
